Treasurer's Report: See Addendum I. The treasurer's report was approved.

The July minutes were approved.

CPYSL: There was no CPYSL report.

LANCO: The LANCO league is now requiring a \$100 bond for potential forfeit fees. Playoffs will be held on Nov. 10-11.

Maax online store: The Maax online store has offered its services to York United, and the board agreed to enter an agreement. Clothing and gear may be ordered through Maax at no cost to the club. See the website for details.

Uniforms: Any teams that haven't picked up their uniforms may make arrangements and do so ASAP.

Fields Crunch: Practice fields are at a premium, which has spurred the club's decision to vote on whether or not to purchase goals for practice fields at York Country Day School. Cousler Park and Penn State York are packed, and the club is in the process of reserving bulk fields at Rudy Park. To reserve fields at Rudy, contact Deb at 840-7440. All member clubs and parents are urged to seek out potential fields for use in all parts of York County. If you have located an alternate field for your practices and/or games, an insurance form must be completed to have that field covered through the EPYSA insurance program. Any injuries occurring at an uncovered site will not be covered through EPYSA.

Meeting Reminder: Every team must be represented at every York United meeting. Each team is expected to have at least one rep, either a coach, trainer, or parent, at each monthly meeting. The club meets 11 times a year, taking off in December for the holidays.

Ads approved: The club has approved running advertisements in local high school programs, either for soccer, football, basketball or any other sport in which your school has a program funded by advertisements. The club has approved a one-time, full-page ad for each program. Send or e-mail invoices or receipts to Dave Stewart for payment or reimbursement.
