Discussion Points

- U10 Teams
 - Bill and Mick spoke about maybe not having the U10 teams pay registration and play only friendly games for their first year at FC York. If these teams want to play tournaments they can use their Primary Passes from their Club teams.
- 19 People came to the “D” Coaching Class.
- FC York may go with NSCAA for Coaches License, and we are looking at continuing education requirements.
- Bill Allen is taking any gently used soccer uniforms or equipment.
- FC York is only taking secondary players if that player is primary to another FC York team.
- April 26, 2008 is FC York night for DC United.
- There was a discussion on premier team activities U15 and above during the High School seasons. Please use common sense and remember these players are already playing 5 days a week for their High School.
- There was a discussion on the number of teams a person may coach and/or train. This will be looked into at length after a DOC has been hired.
